MICIA

The Motor Insurance Claims Investigation and Adjusting Programme (MICIA) is intended to provide students with the knowledge, standards and ethical behaviour required by licensed practitioners in the industry. It is also a prerequisite for entry into Module II of the MICIA Programme. Students will at the end of this module gain a thorough understanding of the key principles and legal considerations affecting motor insurance and how to apply them in practice.

The TTII is also an online examination centre for CII, LOMA and CPCU Courses. Contact us for more information.

We also offer corporate training for the Financial services sector.
